The spring play, **Play On!**, is available to read. There are parts for 10 actors with some roles suitable for either gender. Phyllis Novy, has copies that can be checked out for 2 weeks. Auditions will be in late fall and will open April 17th. Everyone is invited to audition.

Play On! is about a group of actors attempting to put on a play in the midst of continuous re-writes. This is the hilarious story of a theater group trying desperately to put on a play in spite of maddening interference the authoress who keeps revising the script. Act I is a rehearsal of the dreadful show, Act II is the near disastrous dress rehearsal, and the final act is the actual performance in which anything that can go wrong does. This play has it all, bad acting, poorly fit costumes, lights and sound that are inappropriate, an incomplete set, an odd plot, and most importantly – a lot of fun!
