LETTER FROM THE PRESIDENT

Dear Fellow Thespians,

I am proud to be a member of SLCT and able to be a participant in the many ways we have grown as a community theatre. There are so many talented people that I view with awe as they perform both on stage and off. The cooperative spirit that exists in each and every one of us is what makes us truly a community effort that transcends whether we live in Cottonwood, IronOaks, Palo Verde or any of the Sun Lakes environs. My hat is off to the individuals who step up to direct a production. The effort, the time, the creativity, and the frustration I applaud with much enthusiasm. With pride I recognize our improv troupe “The Improvables”, the “Children’s Theatre”, the “Dinner Theatre” and our “Stage Performances”. As a community theatre we plan on offering classes in basic acting, set design and construction, and directing. We have a progressive-thinking Board that cares about the legacy we leave to those who will eventually replace us with the hope that Sun Lakes Community Theatre will be here to do what we do best and that is to entertain our beautiful communities.

Thank you all for your dedication to SLCT.

Michael

We still need a few more cast members for our Children’s Theater. This is a wonderful opportunity to have a great time. Most of our shows will be in Jan., Feb., and March. You will still be able to sign up with me at our October SLCT meeting. It would be a shame if we had to cancel the season.
