

## *July 2017 Asides*

### **NOTES FROM THE BOARD**

While it has been hotter than hades outside your Board has been working diligently to insure that we have another successful Theatre season. While some of us have been working with the new management at Oakwood to be sure that our August Cool Down Social at Poolside will be as good as or better than last year, other board members have been working on other projects. For example, facilities have to be reserved more than a year in advance for our monthly meetings and Holiday parties, as well as the productions that we put on. We are currently booking the end of 2018 and the beginning of 2019.

Not to be overlooked is the booking of tables and acquiring of banners and fliers for the open houses at the 3 phases of Sun Lakes. We also have Board members who coordinate articles for the Splash, The Asides, and other local publications, as well as a Facebook page. Other Board members are making arrangements for the Beginners or Intermediate Acting as well as the Advanced Acting classes. Programs to make our meetings more interesting have to be arranged. Our Technical Liaison is working closely with our sound and light crews to make sure that they have the equipment they need to make our productions the best that they can be. We have experienced financial Board members that keep track of our financial health and report to the Board every

month and we have a committee that is seriously looking into acquiring grants for the SLCT.

The Boards has also been updating the job descriptions of the various board members as well as the responsibilities of the Various Committees. The Policy for Play and Director Selection is also being updated. All these updates can be viewed at [slctinfo.com](http://slctinfo.com). Click on “Resources”.

There are many other SLCT members that contribute to our success that are not Board members but they work closely with the Board. These would include the sound and light crews, Children’s Theatre, Improv, Scholarship Committee, The Asides editing, website maintenance, ticket sales, set construction, costumes, props, make up, ushers, and I am sure I am leaving something out. If you are not participating in any of these areas now would be a good time to think about what you might like to do. Come to the August Cool Down Social and lets talk about it.

*Our A/C storage was full and we needed more space.....* **Where did it go?....** so the best thing to do was find a bigger cool place!

We moved it to Tower Storage on June 27th....our members that helped were like angels from heaven...

**The Janowskis and the Beckers stepped up to the plate....then Dennis Dannehl, Norm Harris, Ron Barnhill and MJ made eight!**

**The next time you see them give them a pat on the back...because the move wouldn't have happened without family like that!**

We still have the sheds on Price Road where we build our sets too...volunteers can help paint there, pound a nail or just glue.

Well, I know that March 2018 is far off...but I am excited about the spring 2018 mystery dinner show and wanted to share it. It is scheduled for March 20-24 in the Oakwood Ballroom.

The title is MURDER AT THE TONY/LOU AWARDS SHOW. This is a take-off on the Academy Awards that takes place on March 4, 2018. This is going to be a lot of fun for all involved and for the audience members.

Director: Sandy Pallett

Associate Director: Grace Geisinger

Producer: Barbie Bergerson

Auditions are November 28 at 4pm in the Oakwood Ballroom
