Message from the Board

Your Community theatre is alive and well and about to start flourishing again! Roger Edmonds will be directing another presentation of “Radio Days” in July; Sandy Pallett will be doing another Murder/Mystery, hopefully in mid-November; and Diana Nelinson is going to do “Catch Me If You Can” next spring!

We also are planning some classes and some additional sessions of play reading and storytelling.

We have all been sitting around with nothing to do for way too long, so now is the time for each and every one of us to get up and sign up for these projects. I know not all our members want to perform in front of an audience, but there are many other jobs you can do to help.

We must show the community that we are here to entertain them. So be sure to tell all your friends and family to come and see our shows!

Looking forward to seeing all of you soon,

Greg Posniack
President

WHAT WE'VE BEEN UP TO

A new year and changed circumstances gave us an opportunity to use down time to tackle a Spring-Cleaning project. Did you know that SLCT has storage areas to hold the equipment and supplies to stage our productions...? Over time, with the loading and unloading of equipment, the area had become pretty cluttered. Our volunteer team tackled the task of reorganizing and cleaning out that area which will make it easier for those helping with upcoming shows.

A big thank you to the volunteers who helped:
Bill Becker, John Crawford, MJ Clement, Jack and
Janee Mitchell, Jack Hahn, Robin Murray and
Mario Carranza!

ARE YOU UP FOR ANOTHER ZOOM CALL!

There's one more coming up...."Let's talk". Thought it would be interesting to get together on zoom and discuss a topic of interest. The first meeting will be on May 14 at 1:00 and the discussion will be on places in Arizona to visit now that we can get out of our shelters. This is a way for us to share information and learn something about places others have visited or are planning to visit. So check it out....who knows, we might really learn something and enjoy sharing with each other...or better yet, maybe plan a trip! Jim will send out the zoom connection closer to the actual date.
Sandy Pallett

It has been very disappointing scheduling events for this year....**however, we did manage to get the Radio Show scheduled in Cottonwood...July 27-31.** Our fall show dates were given over to TAD concerts in Cottonwood....Oakwood is now also booked. But there is a possibility we can do a mystery dinner show in Sun Lakes Country Club. They are holding dates, Nov 17-23 for us. They will make a final decision in June or July, depending on Covid. Watch for more information.
Sandy Pallett

Growing SLCT Membership 2021

A robust membership enhances the theatre experience for everyone! We all benefit from our love of the Arts, sense of community and purpose. With dwindling membership, in 2021, we want to attract more acting talent and support crew needed to continue quality production of SLCT shows.

SLCT sparks activity beyond the talents of our actors. Many volunteers contribute with off-stage roles such as sound, lighting, set design, costumes, hospitality, publicity.... a list as long as the interests and skills our members contribute. These meaningful experiences are open to our Sun Lakes community.

*During Covid, SLCT moved outdoors for the first time so patrons and actors could continue to enjoy the theatre in a safe way. The production of *Laughter is the Best Medicine* was sold out each night to enthusiastic audiences.*

Look to engage folks you meet and encourage them to join us. From casual conversations to direct recruitment, we can bring others from within our community into the SLCT experience. Share the rewards and urge someone you know or meet to become a part of SLCT. Bring an interested friend to a general meeting or event. It may start with asking someone for help with a small task and once they get a peek under the curtain they'll feel that they have found a place with us.

Membership information is available at www.slctinfo.com or email info@slctinfo.com.

SLCT has a fantastic story to tell.... *Let's share it!*
