

June 2021 Asides

Message From The Board

Roger Edmonds will be directing a new and different presentation of “Radio Days” at the San Tan Ballroom on July 27-31 with load-in on the 25th and dress rehearsal on the 26th. We have enough tech people to make this show happen, and we have new, much lighter street signs to use for publicity.

We will be doing some “Flash Mob” events in some of our clubhouses and bars in early June to help publicize our group and gain some new members. The exact dates and locations are still being worked out. Rehearsals have been ongoing!

Sandy Pallett will be doing another Murder/Mystery, Oct 5-10 at the Oakwood Ballroom, with auditions to be held in August. The name of the show is still a mystery!

Diana Nelinson is going to do “Catch Me If You Can” next spring! We are also still planning some classes and some additional sessions of play reading and storytelling.

Please hold the date of August 15,2021, @ 5PM for our annual “August Cool-Down”!

Looking forward to seeing all of you soon,

Greg Posniack
President

HORTON

A BRIEF HORTON SCHOOL PERFORMANCES UPDATE

On behalf of the Sun Lakes Community Theatre, I reached out to Camille Casteel, the outgoing Superintendent of the Chandler Unified School District 80 who is retiring June 1, and thanked her for her support of our performances over all the years as she did. I wished her good health and happiness on behalf of us all. I added that I hoped her successor would follow in her footsteps for our performances.

She acknowledged my email immediately thanking us and copied her successor, Frank Narducci, who in turn also emailed me quickly saying, “We look forward to providing opportunity in the arts to our students. This is such a valued resource in our community, thank you!” I thanked him and told her we’d be in contact soon. So we have established contact with the new Superintendent of CUSD80 for future performances. Nice knowing we will have future support for our performances.

Now, since we have all had a year off from performing in the schools, I, and I am sure I can speak for Roger, hope those of you who have performed before will again be willing. And, those of you who have not performed in our children’s performances as of yet will come and join us soon.

We still need a front of the house manager: Duties are to get ushers and manage intermission. If interested please contact Barbie Bergeson.

Also, this is the biggie. We need everyone to help load in and take down the set.

This year it will be easy because chairs only and no risers.

Load in Sunday July 25 starting at 8:30 am at the storage shed. We need one person that has a pickup for the long poles and three or four cars to hold the tubs with curtains.

Then at 9:00 am we need help to set up in the ballroom. Take down Saturday July 31 around 4:15 pm. Same thing, pickup and cars to take stuff back to shed. We could use someone to co-ordinate this. If you can help, please contact MJ Clement.
