

## July 2021 Asides Newsletter

Roger Edmonds is directing a new and different presentation of "Radio Days" at the San Tan Ballroom on July 27-31. The plays include The Bickersons, Fibber McGee and Molly, and Dragnet! Rehearsals are ongoing and tickets will go on sale July 8<sup>th</sup>.

We did some "Flash Mob" events in some of our clubhouses and bars in early June to help publicize our group and gain some new members. They were very well received, and we've already gotten a new member from it! In addition, they made to Fox & NBC News shows where they did stories and shewed video clips!

Sandy Pallett will be doing another Murder/Mystery Dinner theater on Oct 9-13 at the Oakwood Ballroom, with auditions to be held on August 6. The name of the show is Dealt a Deadly Hand.

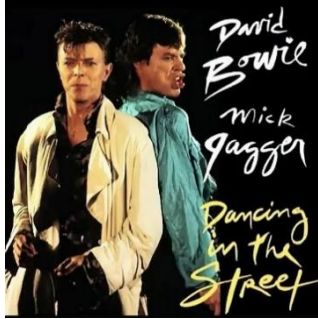

We are also still planning some classes and some additional sessions of play reading and storytelling.

Please hold the date of August 15,2021 @ 5PM for our annual "August Cool-Down"!

Looking forward to seeing all of you soon,

Greg Posniack

President

## SLCT FLASH MOB

Theatre members were *Dancing in the Street* – Mick Jagger and David Bowie style as Flash Mobs appeared around Sun Lakes venues celebrating the return of live theatre and to share the SLCT experience.

A “Flash Mob” is a group of dancers that perform unexpectedly in a public place, then disperse just as randomly. Resident at Cottonwood/Palo Verde, Iron Oaks and Renaissance were surprised by the Flash Mob performances starting on June 4<sup>th</sup>.

The Flash Mob dance was choreographed by SLCT member, Sally Holberg. Sally said, “A casual comment suggesting a Flash Mob inspired us to create this great dance troupe. In just a few short weeks of dance rehearsals, we all were ready to dance our way out of Covid and into a new theatre season with renewed energy.” And our 55+ active adult community responded with equal enthusiasm for the surprise performances.

The Flash Mob was suggested as a way to attract new members to SLCT. Our theatre roles go beyond acting, to the support and technical crew. Encourage those Sun Lakes residents who may express interest to join SLCT as we continue to grow our membership. Information can be found on our website, [www.slctinfo.com](http://www.slctinfo.com) or email to [info@slctinfo.com](mailto:info@slctinfo.com)
